CENTRAL T. & C. H. S.

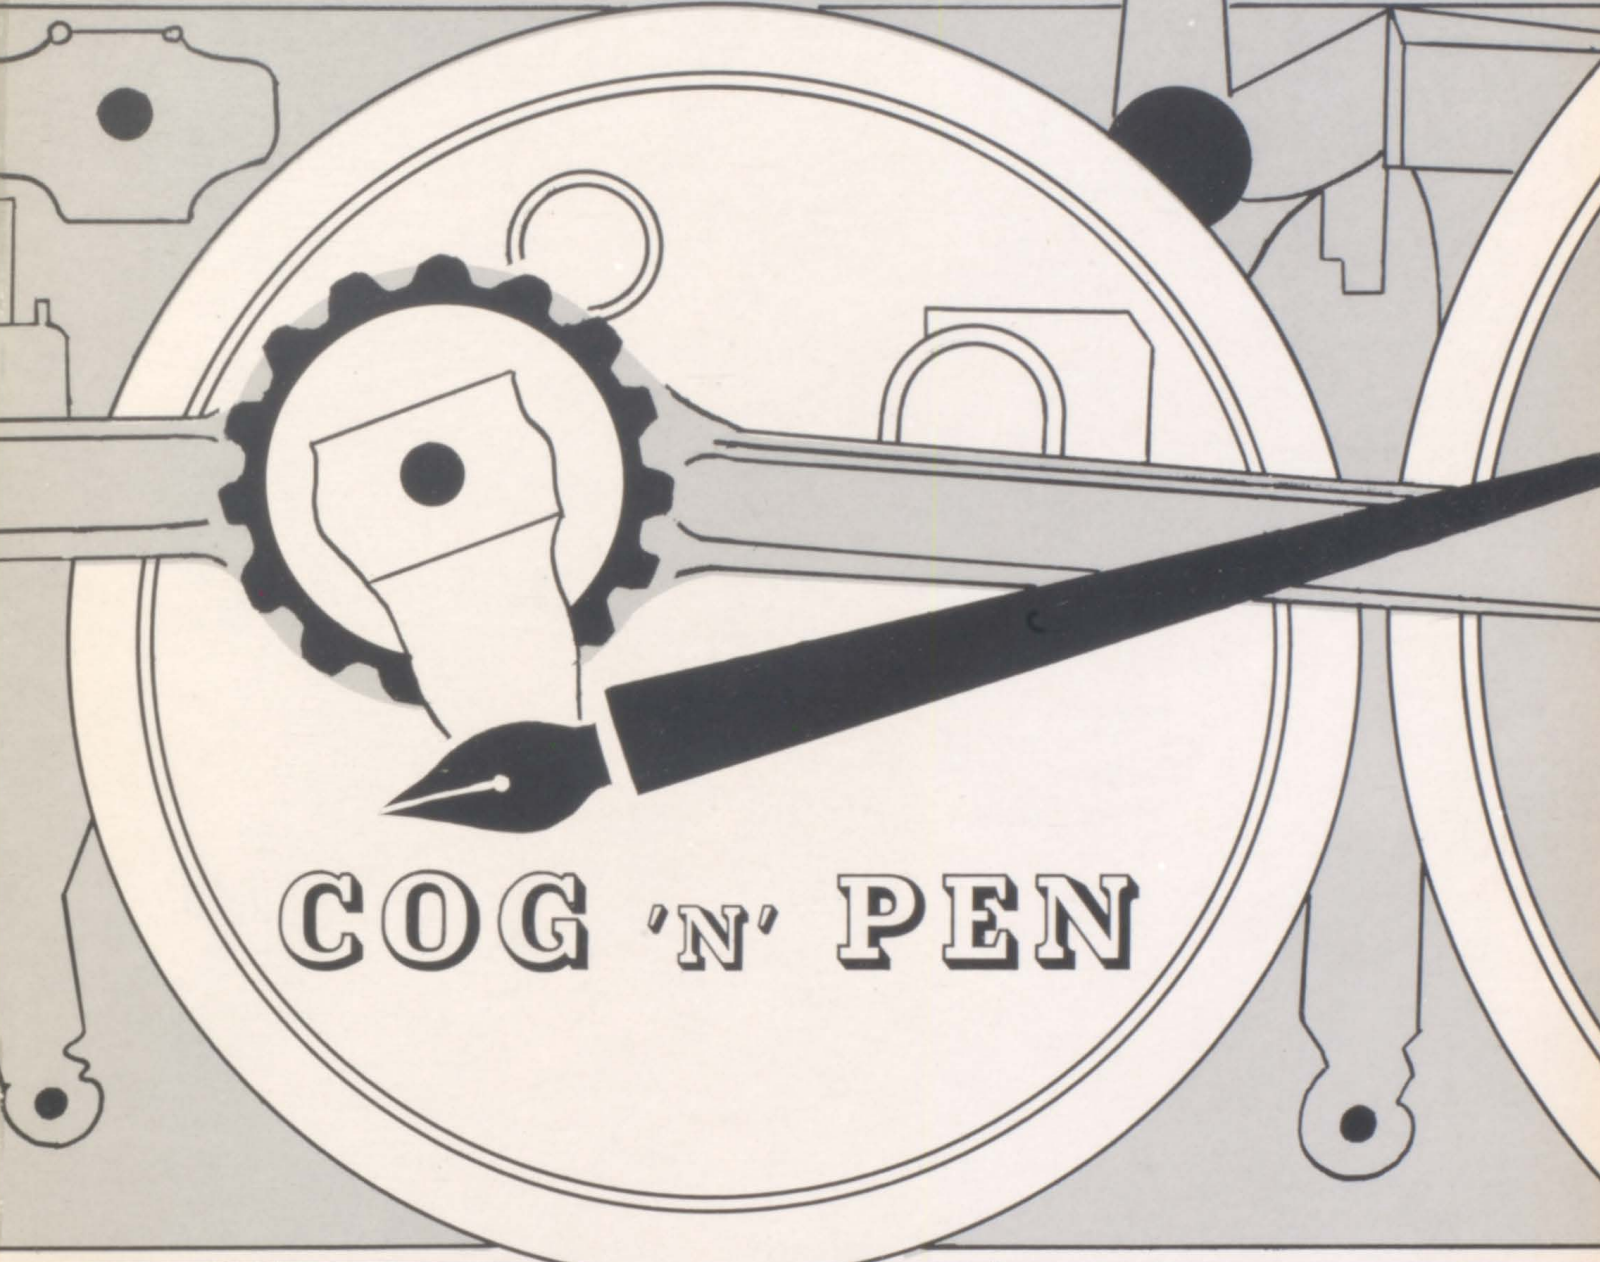

The background of the cover features a stylized, high-contrast illustration in a blue-grey tone. On the right side, a steam locomotive is depicted, moving towards the left. It has a large smokestack emitting a thick, dark plume of smoke that fills the upper half of the frame. In the lower-left foreground, there is a detailed illustration of industrial machinery, including a large lathe or mill with a rotating wheel and various mechanical components. The overall style is reminiscent of mid-20th-century graphic design, using heavy hatching and cross-hatching for shading and texture.

MODERATO

The musical score is written for voice and piano. It consists of five systems of music. Each system has a vocal line on a treble clef staff and a piano accompaniment on a bass clef staff. The key signature has one sharp (F#), and the time signature is common time (C). The tempo is marked 'MODERATO'. The lyrics are: 'HIGH A-BOVE THE BU-SY CITY, FAR BE-YOND ALL TOUCH OF ILL, SITS EN-THRONED OUR AL-MA MA-TER. OUR DEAR LADY IS ON THE HILL. LET THE CHO-RUS, SEND IT SWELL-ING, WITH A LEAL AND LOY-AL WILL, AND OUR BOUN-TY BE THE BEAU-TY OF OUR LADY — ON THE HILL.' The piano accompaniment features a steady eighth-note pattern in the left hand and chords in the right hand.

HIGH A-BOVE THE BU-SY CITY,
FAR BE-YOND ALL TOUCH OF ILL, SITS EN-THRONED OUR AL-MA MA-TER
OUR DEAR LADY IS ON THE HILL. LET THE CHO-RUS, SEND IT
SWELL-ING, WITH A LEAL AND LOY-AL WILL, AND OUR BOUN-TY
BE THE BEAU-TY OF OUR LADY — ON THE HILL.

CLASS HISTORY

September 1950

Summer is finally gone, here we are at Central to take our first step forward. Ah, how we remember those good old days and our first impression of Central. It was huge! We thought those stairs were leading us to Central and on into the future.

We can still remember looking for our classes and wondering how we would ever find them, no numbers, no arrows, just a new paint job Our classes were now beginning to organize. We found the teachers to be as we expected. We remember the excitement over Ida's and Chippy's first cut-slips. We shall never forget the scream that came from the Biology room, when Phyllis Garofalo discovered a skeleton in the closet. Rumor said it was a teacher on a diet. Oh yes, we could walk through Central with our eyes closed and the odors from the Chemistry lab would lead us.

February approached, and promotion time was here. Some of us kids had to double up on subjects, the rest came through; still we went along merrily.

Who could ever forget lunch time; it never failed; we had visitors, Mickey and Minnie mouse in our lockers always getting to our lunch first. Then there was the Dance Band giving their first performance in the auditorium. Phew! was the cry, and we didn't mean the band. The chemistry lab was at it again.

CENTRAL H. S.

JUNE 1953

With spring approaching many social clubs organized in the Varsity. Poor Mr. Strassberg needed a secretary to help him out with the cut-slips. Our next big step was into 3B.

September 1951

The fall session began with everyone trying to sell elevator passes. We remember the great joy when Nick, Bob and Lou made J. V. football, and Nick, Sam, and Mike made J. V. basketball. We knew there was a great future for Central's sports with those boys on the teams.

We can still remember how happy we were when we heard that Mrs. Litch and Mr. Petitti were to be the class advisers. Then came the Class's first meeting. A short time later invitations arrived "Please attend the 3B social". The band played continuously at this gay affair. With the help of Mrs. Litch and Mrs. Elam the class social had refreshments. We can remember Mr. Petitti's great attempt to address 300 kids. One thing that still stands out in our minds was the discovery that there was talent in our class. Ronald Drummond sang while Walter Foster accompanied him on his accordion. Boy! all the friends that were made at this social. It was a great success.

Soon, we knew our class would start paying dues

CLASS HISTORY

Front page news. "Central goes on strike!" City Hall was swamped that day with rooters demanding rallies.

That scare from the skeleton must have really aroused Phyllis because she became the first girl Student Council President. Let's not forget Danny Berardinelli being picked for scholarship representation.

We also remember the time when there were flowers in the classrooms, music in the cafeteria, clean curtains and displays hanging and teachers gay and smiling, all for the evaluators.

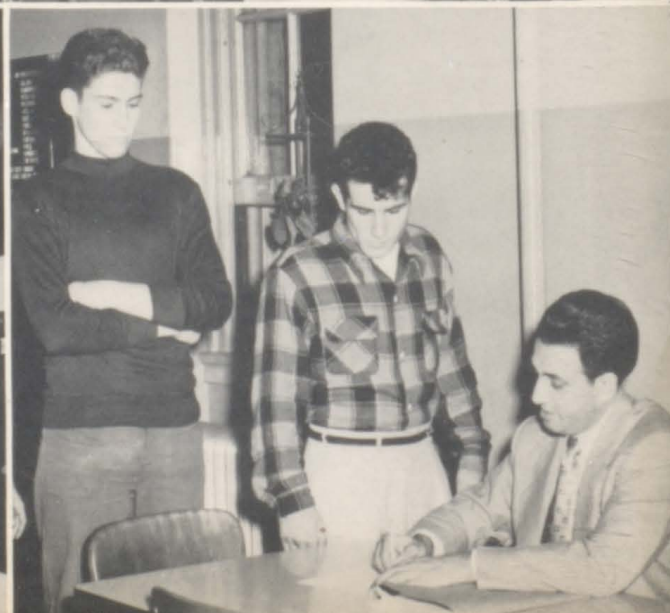

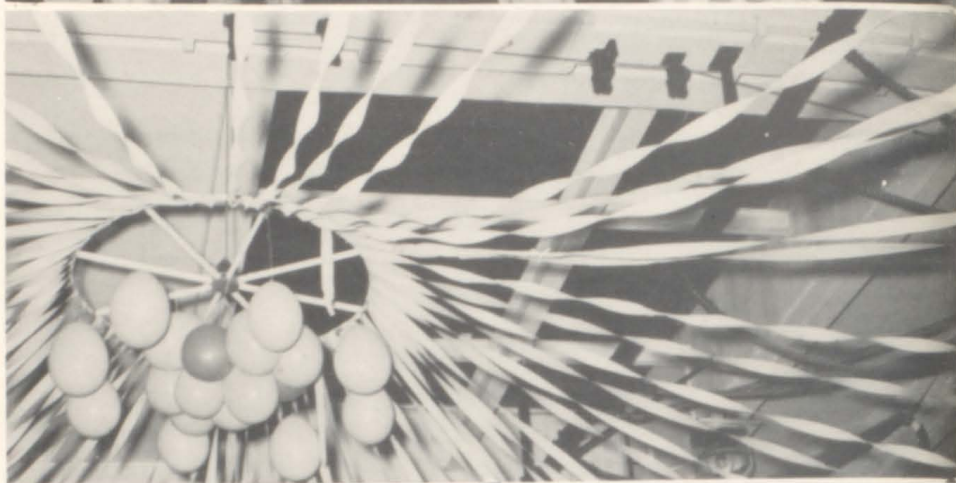

Then there was a big B O O M ! ! ! Do you remember the bomb scare? Yeh, that was the time Rose Raniero ran down four flights of stairs to save Perry Como's picture. Remember, school was closed until 2 o'clock but who came back?

Then came the big event; election for 4B officers was to be held. So, the halls were filled with posters for election. The results were:

NICK MARTINO	<i>President</i>
OLYMPIA LA PARA . .	<i>Vice President</i>
ANNETTE SENA	<i>Secretary</i>
THERESA KOSJOCK . . .	<i>Treasurer</i>

As we think back, we see how much these four helped us. We had our dance "The Maytime Frolic" and the receipts indicated it was the biggest success of the year.

Next came the English Fundamentals test which resulted in all of us taking English Fundamentals for six months.

JUNE 1953

Do you remember the big romance of the year between Nick Martino and Cathy? Nick Casale and Phyl?

September 1952

After our summer vacation we were ready again to take the next step in Central—going into the 4B. We remember how nice-looking and tall the boys had become, and how the girls took notice of it right away. We recall the time we all (300) crowded into room 214 to get our class rings? Boy, hands were flying that week just to show off the rings!

What a nice surprise for Central when we read the paper that Sunday morning to see that our boys, Lou, Nick, Pat, Tony, and Rudy made All City Champs.

It was a shame Mother Nature was against us for our 4B Dance. There was no gain, just rain. New Year's brought a happy event. Many of the girls became engaged.

Do you remember in the middle of winter, our Junior-Senior Prom was filled with bop and yet a flop?

Our basketball team proved to be a success and with Harry, Nick, Jimmy, Sam, Mike, and Otis helped to bring our team to victory as city champs.

We discovered our class had many outstanding students among them our 4A officers.

Then came the day when we heard that all the lights were turned on at the Paramount and 20 Centralites were found watching "The Stooge". Our classmates were now grown up and fortunately none were present.

The classbook was getting underway with a lot of hustle and bustle—taking pictures. We were thrilled to know that Olympia La Para and Judy Cordasco were the editors. Also an excellent art staff, under the supervision of Mr. Schechter, with Ronald, Jeanette, Marie, and others, were working together to get our book designed. Dan Basso, and Charles Donaldson as photo editors, helped a great deal with the pictures, Louise Esposito and Vicki Ci-ciola also did their share of typing to get our classbook to press.

Then came the excitement of Class Day. Who was to be in it, what was it going to be about, where were the costumes coming from and would they fit? All those questions arose and were solved.

Well, the deadline was met for the Classbook, and Class Day, and here we are signing books and saying good-bye.

Now, we know we're ready to take our last steps in Central and go forward into the future.

SAL COMMISA
Coach

1952 FOOTBALL TEAM

Coach Sal Commisa considered this hard working team that captured the City Crown one of the smart, defensive teams that Central High has put on the gridiron over the years.

The season opened on September 27 with an easy win over Nutley. The game provided many opportunities for the line and backfield to sparkle. The score totaled 25-7. In the second game South Side did not tax the Blue Devils too much with Central being on top with a score of 30-0. The Barringer game provided a tense battle for the first half. In the second half Central's power and coaching broke through and the score ended up Central 21, Barringer 0. The Bengals of Bloomfield trounced our boys by a score of 24-0 in a game more closely fought than indicated by the score, and the following Saturday the "underdog" West Side Rough Riders held Central to a hard fought 6-6 tie. The Weequahic game became a defensive battle that found Central on top at the end, 7-0. This game had to be won so that

the Blue Devils could remain in the city race; and they won it!

The following week Central moved out to Thomas Jefferson and for a change won handily 25-7. The hard fought, muddy Kearny game found the High Streeters on the short side of a 6-0 score. This was a hard game to lose since our boys outplayed Kearny during most of the game. Thanksgiving morning found Central closing out the season battling East Side to a 6-6 tie.

The patience of Coaches Commisa and Aulisi in grooming and training such promising boys as Spagnoletti, Albanese, Casale, Addeo, Patuto, Ruth, Adams and Cronin during the 1950 and 1951 seasons paid off by their being largely responsible for bringing the City Title to Central in 1952.

The importance of clean, sportsmanlike play whether in victory or loss was a lesson learned by these boys which other Central teams will follow in succeeding seasons.

RUDY ADAMS "45"

Rudy was an outstanding line-
man for Central who worked very
hard and donated much time to
football. His great work on defense
gave him a berth on the All-City
team of 1952. Rudy played two
years of varsity ball and earned two
letters and a gold football.

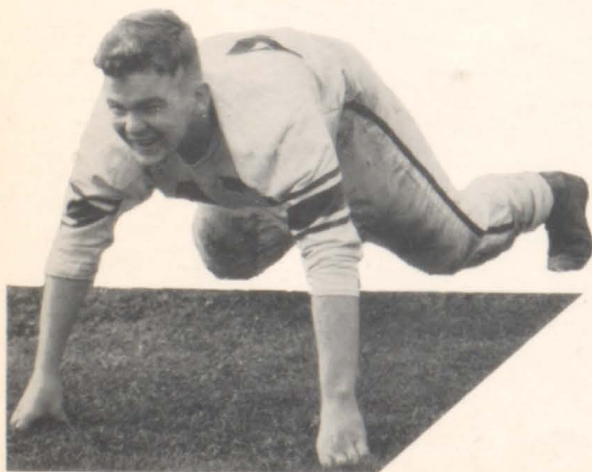

BOB PATUTO "28"

Bob was a hard runner who also
played good defensive ball for Cen-
tral. He played the better part of
three seasons and earned two varsity
letters.

DICK CRONIN "47"

Dick's three years of varsity ball-
playing for Central revealed his fine
offensive and defensive playing. His
great blocking in the Jefferson game
helped Central to win very easily.
Dick received two varsity letters and
a gold football.

A TENSE MOMENT FOR THE BOYS ON THE BENCH.

PAT SPAGNOLETTI "16"

Pat played three years of Varsity ball and was a standout on the line. He was tough and performed excellently as a defensive and offensive player. Pat received two varsity letters and a gold football.

TONY ADDEO "26"

Tony was the fastest player on the team. He played a great game against Barringer and helped a great deal to win the City Crown. He was a good running back and defensive player who played one year of varsity ball and earned one varsity letter plus a gold football.

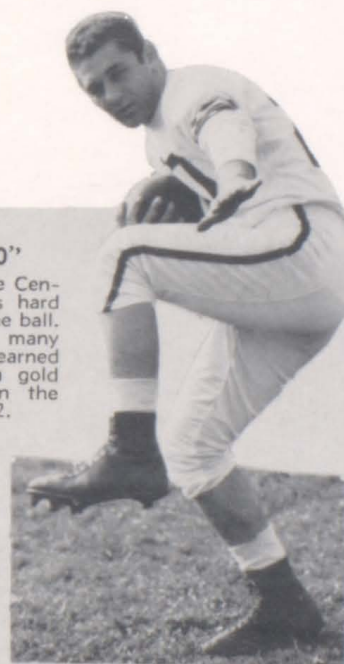

LOU ALBANESE "17"

Lou was one of the backs that the coaches depended upon. He played three years on the varsity squad, and earned three letters plus a gold football. He was a hard, fast runner who was named on the Second City team of 1952.

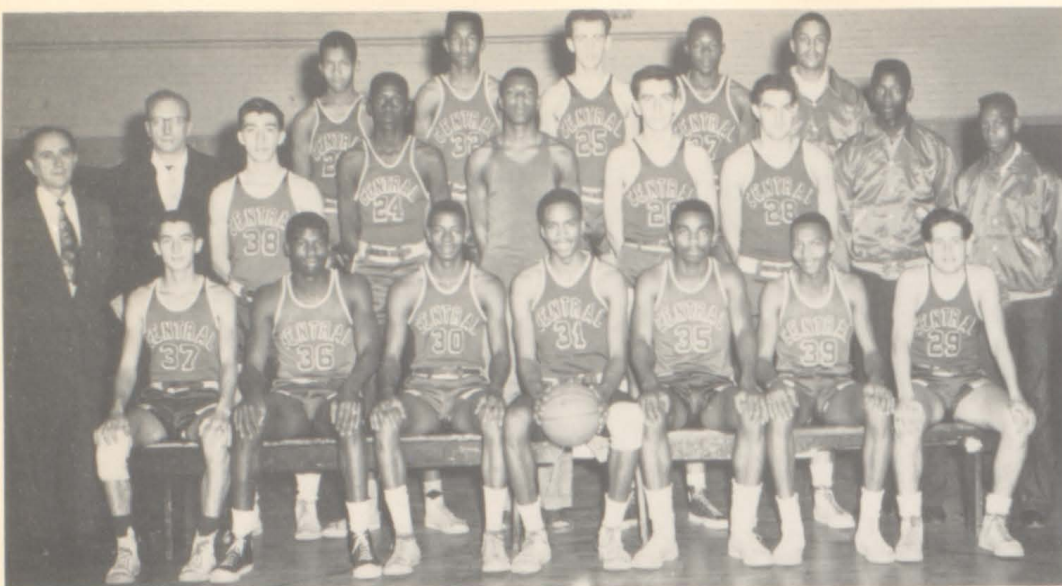

SAM RUTH "34"

Sam was a good fast runner. He ran 60 yards against South Side and played good football all season. He played three years of football and received one varsity letter.

NICK CASALE "20"

Nick was another of the Central 1952 backs who was hard to handle when carrying the ball. His running helped win many games for Central. Nick earned two varsity letters and a gold football and was also on the Second City team of 1952.

BASKETBALL TEAM

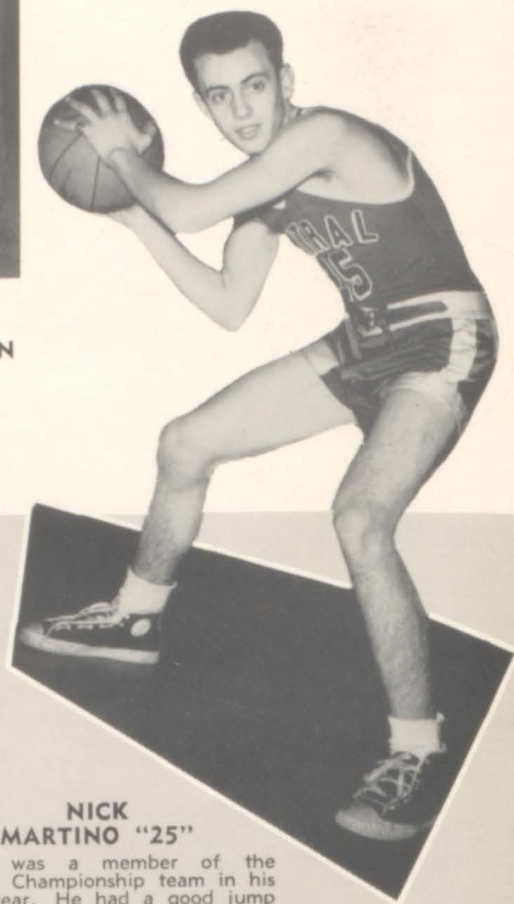

1952-1953

SOL FLEISCHMAN
Coach

The High Street cagers once again brought the City Crown to Central. In city competition our boys were undefeated all season.

Many of the regular games were thrillers, especially those played against West Side, Barringer, Weequahic, Thomas Jefferson and Orange. Our only loss of the season was to Bloomfield on a night when our boys just did not have it. Their shots, dribbling, and passing were off.

We had high hopes that in the Essex County Tournament the team might bring another crown to Central. They reached the quarter finals, but at that point Orange, whom we had defeated earlier in the season, put up a roadblock which our boys could not hurdle. Coach Fleischman is to be complimented for having done a fine job with our boys.

**NICK
MARTINO "25"**

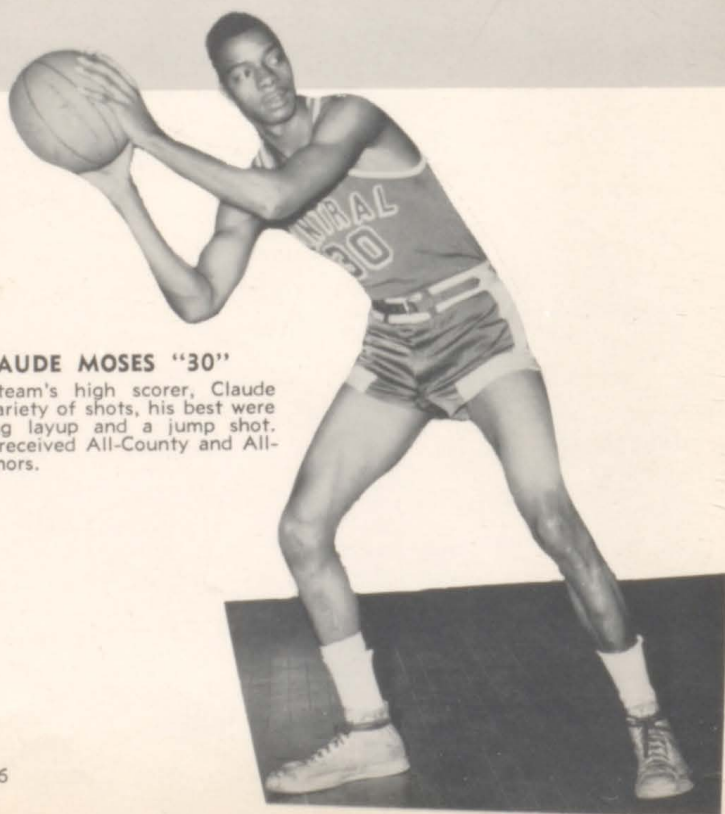

Nick was a member of the 1952-53 Championship team in his senior year. He had a good jump shot, and was a hustler on the court.

**NETTING A 2-POINTER DURING
A HOT MOMENT.**

CLAUDE MOSES "30"

The team's high scorer, Claude had a variety of shots, his best were a driving layup and a jump shot. Claude received All-County and All-City honors.

OTIS HUNTER "35"

The team's most consistent player, Otis was a good shot and rebounder, always fighting to the end. Otis received All-City nomination, and was on the 1951-53 champion teams.

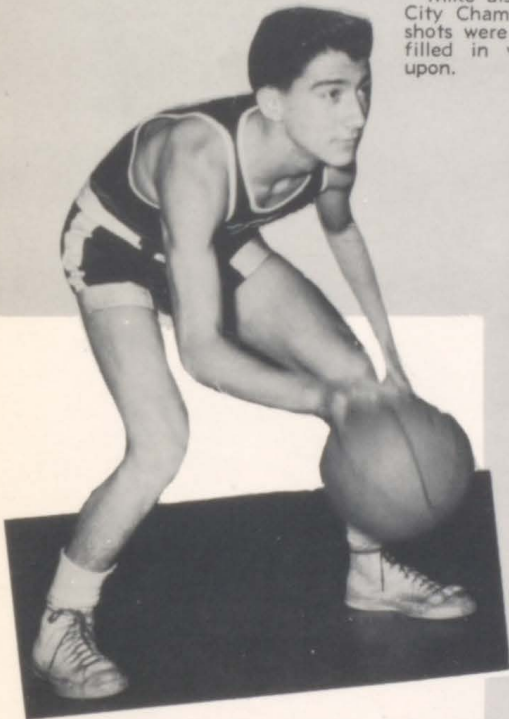

HARRY ROGERS "31"

A fine rebounder, Harry's best shot was a jump shot. He was also one of the leading scorers on the team. Harry received All-City honors in his senior year.

MIKE CARAMBATOS "38"

Mike also was a member of two City Championship teams. His best shots were jump and set shots. He filled in very nicely when called upon.

SAM AQUINO "29"

Sam was a varsity member for two campaigns. He possessed a good set and drive shot. In the latter part of the season, Sam took over a starting berth and filled in very capably.

JIM SESSOMS "39"

The team's best all-around player, both defensively, and offensively. Jim had one of the best set and jump shots in the county. In his junior year Jim made All-City, and was rated with the best.

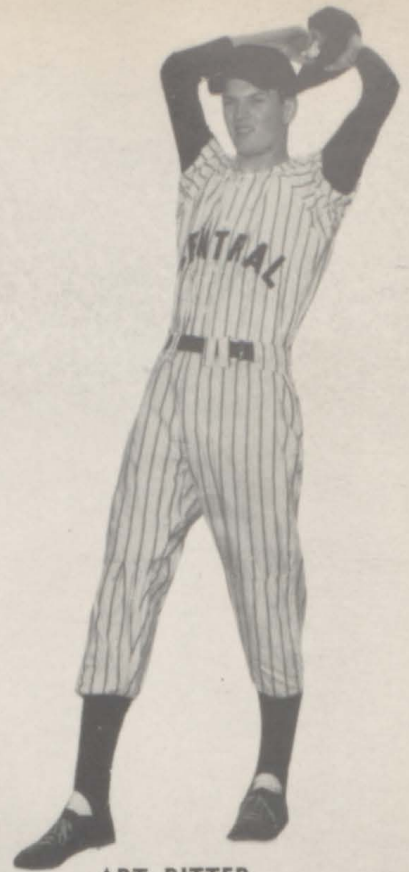

BASEBALL TEAM 1953

ROBERT REILLY, Coach

Central High placed 3rd in the city race after compiling 11 wins and 8 losses. Of these 8 losses, 6 were lost by a margin of 1 run. That one run difference spelled out the story of a season that might have been much more successful. Two of the most exciting games of the year were the Montclair game, which was won by the High Streeters 9 to 6 and the Bloomfield game which we lost 3 to 2.

Coach Bob Reilly worked hard with the boys and deserved to enjoy a better season. May we wish the 1953 team success.

ART RITTER

Pitcher

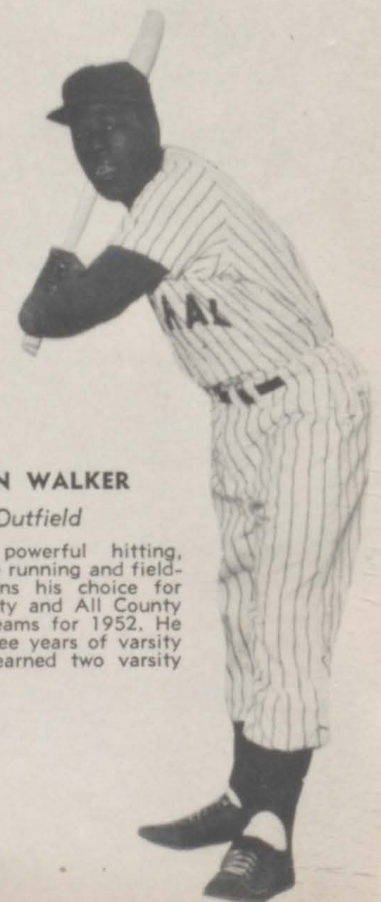

Height, speed and control in his relief work contributed materially to Central's victories. He played two years of ball that earned him two baseball letters.

SCORING ONE FOR CENTRAL.

VALVANO HITS A ONE BAGGER.

LEON WALKER

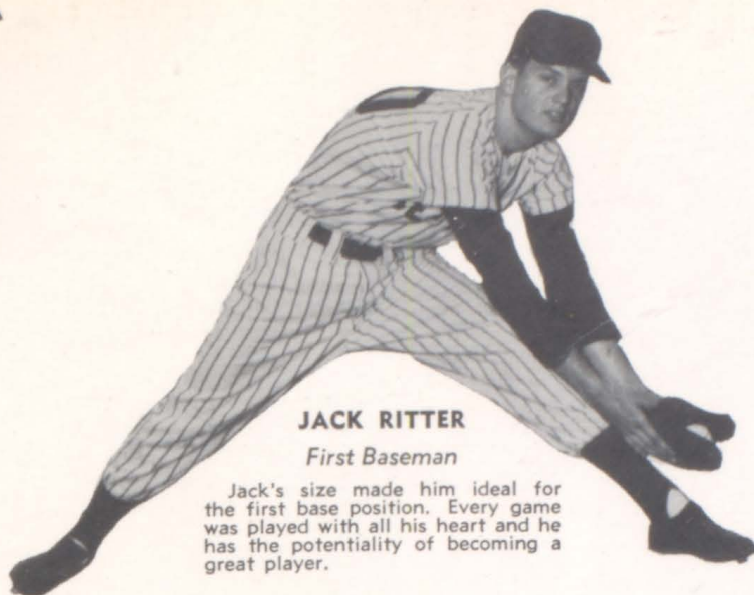

Outfield

Leon's powerful hitting, canny base running and fielding explains his choice for the All City and All County baseball teams for 1952. He played three years of varsity ball and earned two varsity letters.

AL GEYER
Outfield

A natural at hitting who played every game with all his heart. Two years of varsity ball playing have earned him two varsity letters.

JACK RITTER
First Baseman

Jack's size made him ideal for the first base position. Every game was played with all his heart and he has the potentiality of becoming a great player.

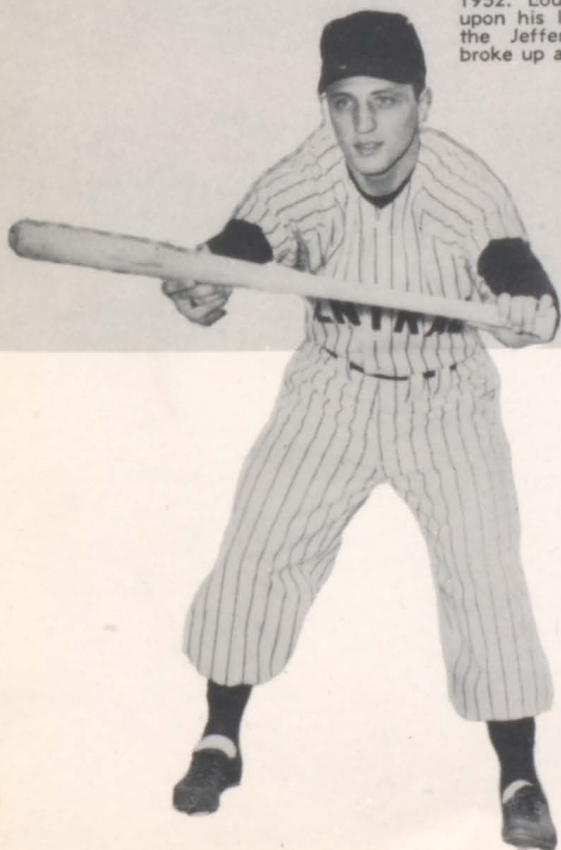

FRED DI MARTINO
Pitcher

Fred's fine curveball really mows the opposition down. His powerful hitting warrants his playing outfield positions when not hurling.

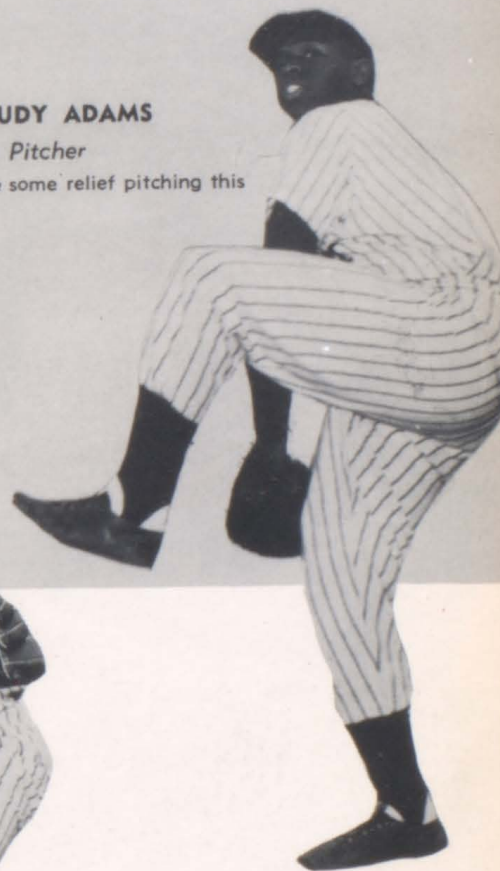

LOU ALBANESE
Catcher

His hustle on the playing field and smart handling of Central hurlers was largely responsible for his nomination to the All City and All County baseball teams of 1952. Lou looks back fondly upon his line-drive single in the Jefferson game which broke up a no hit game.

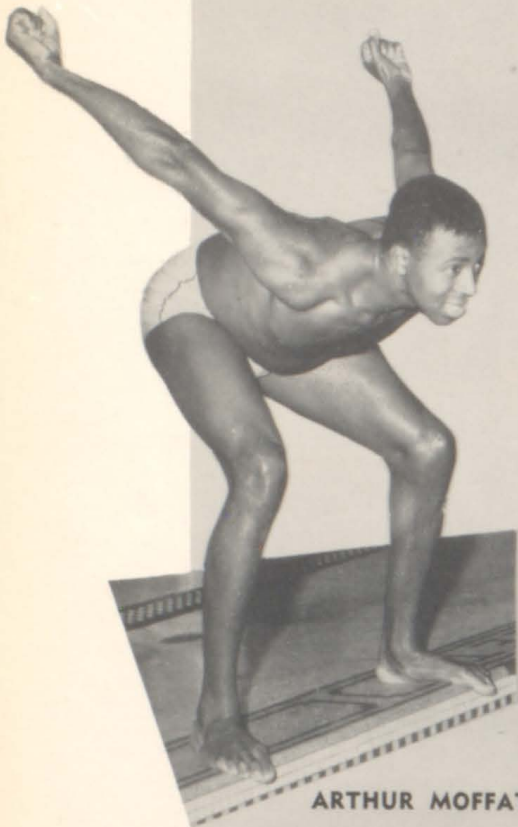

RUDY ADAMS
Pitcher

Has done some relief pitching this spring.

BOB WOLFARTH
Infield

Starting as a J.V. in 1951 his slick infielding led him to a varsity berth which earned him two years of varsity playing and two varsity letters.
